Mr. David P. Miller
Sup't. Water Division No. 4
Rock Springs, Wyoming

Dear Sir: REL: BURNT FORK DISTR.

Mr. Welch, of Burnt Fork, has guaranteed the expense of the witnesses which may be involved in the Jensen case, and we are today forwarding a letter to him, a copy of which is enclosed herewith. I wish you would see that Mr. Burritt is apprised of the fact that we are going to ask for Mr. Jensen's extradition in order that he may, when the proper officer arrives, be in a position to go to your Governor and explain the necessity for this action without delay. You will note in the letter that we are asking Mr. Welch to avoid broadcasting this procedure because from past experience Mr. Jensen is not always available at times when his presence is most desired.

Yours very truly

T. H. Humpherys
STATE ENGINEER
